**CLIMATE CRISIS RESPONSE -
INSIDE AND OUT**

GREENING NIAGARA

For over 10 years, the Diocese of Niagara has had a leadership committee focused on the care of creation in and around our churches through the Green Accreditation program.

Now the committee is looking at deepening the Diocesan response to the climate crisis and we need all hands-on deck.

If you are a parish Greening Facilitator or if you want to join in our efforts to ensure the Diocese of Niagara is doing all we can to faithfully live out our call to be stewards of creation, please mark your calendar for **Saturday, September 21, 2019.**

ALL ARE WELCOME!

You do not need to be an “environmental expert” in order to care for creation. Come with your passion and help us identify our climate priorities for the next 10 years!

252 James St. N., Hamilton
