

Chaplain to Ordinands

Students are assigned a chaplain once accepted as a candidate to the Diocese of Niagara and this relationship ends with the candidate's priesting or their withdrawal from the ordination process. The Chaplain is a combination of pastor, teacher and mentor for a student assigned to his or her oversight. The Bishop's Chaplain to Candidates for Ordination also provides a link between the Bishop and the Synod Office. Our chaplains are in regular contact with Niagara students.

Our chaplain is:

The Venerable Suzanne Craven
