

Chaplains to Ordinands

A chaplain is assigned to each recommended applicant, now a candidate, as the person to whom the candidate turns for pastoral care and conversation throughout the process, meeting at least twice a year. The chaplain is a member of the Candidates Committee but is not required to report to it. This official relationship ends with the candidate's ordination to the priesthood or their withdrawal from the ordination process.

Our Chaplains to Ordinands are:

The Reverend Will Alakas
