

Wishing to donate while isolated or not attending church in person? Follow these steps to continue supporting your church during this time.

While unable to gather in worship, giving to our parish is still important – just as prayer and other faith practices are. Giving of our time, talent, and treasure are all equally important parts of stewarding the resources God provides. During this pandemic it is harder to give of our time and talents, but we can still give of our finances through online giving.

We encourage you to think of your neighbours too, particularly those who are homeless or precariously housed and those dependent on our food banks and other meal programs. During this time, it is more difficult for these services that are dependent on food donations.

Mail a Cheque

You are welcome to make a gift by mailing a cheque to your parish. Please ensure you sanitize your hands before writing the cheque and touching the envelope. Please do not lick the envelope, rather use a cloth or sponge to dampen the envelope. If you need the address to your parish, please call your parish office or the diocesan office at 905-527-1316.

Online gifts for each parish can be made securely through the diocesan website by credit card. To make an online gift please follow the instructions below:
