DISCOVERY:
STOLEN LANDS,
STRONG HEARTS**

DOCTRINE OF DISCOVERY is a film about a devastating decision, made over 500 years ago, which continues to profoundly impact Indigenous and Settler people worldwide. In Pope Alexander VI ruled that the lands being discovered by European explorers at the time were “empty” and its millions of Indigenous inhabitants were “non-human”.

Master of Ceremonies will be The Venerable Valerie Kerr, Archdeacon for Truth, Reconciliation and Indigenous Ministry with special guest, The Right Rev. Mark MacDonald, the first National Indigenous Anglican Bishop.
