

Creation Care that Counts

AN EVENING WITH **DR. DIANNE SAXE**, exploring the climate crisis as a critical moral issue, our own climate pollution, and the need for moral leadership required in our faith communities to make a difference in practice and advocacy.

PRESENTED BY:

Dr. Dianne Saxe is one of Canada's most respected environmental and climate lawyers, with 40+ years' unparalleled experience writing, interpreting, and litigating Ontario's energy and environmental laws.

Ontario's Environmental Commissioner from 2015 - 2019, she reported to the Legislature on the province's environmental, energy and climate performance. She now heads up Saxe Facts, a law firm on climate, energy and environment.

Dr. Saxe will be presenting, "Creation Care that Counts:"

- examining climate crisis as a critical moral issue;
- challenging us to examine our own climate pollution;
- and calling faith communities to take moral leadership in this area.
