About Us

First and foremost in all we do, we seek to deepen our relationship with God, build community and engage with the world around us. By living out the imperatives of the Gospel, in sharing God's love and the Good News of Jesus Christ, we seek to be a light in our world.

We are an Anglican Church located in the heart of downtown Port Colborne, Ontario on the north shore of Lake Erie at the southern end

of the Welland Canal in the Niagara Region. The city of Port Colborne is steeped in marine heritage and currently has a population of just over 18,300 people. It is the first Fair Trade Town in Ontario as recognized by Fairtrade Canada's Fair Trade Town Initiative.

We are a fusion of two churches whose style and churchmanship were significantly different. The Parish of St. James, the more traditional church and The Parish of St. Brendan, the more contemporary, amalgamated in 2006. The result has been a blend of traditions at St J & B as we have come to call ourselves. Several years ago we invested in projection screens and other multi-media equipment in both the church and the hall and we have become accustomed to its regular use at services. We also have the capability to live stream our services, something our former rector would do on a regular basis.

The church proper is situated on the corner of King and Charlotte Streets. The original church, established in 1863 and first erected in 1867, was destroyed by fire in 1915. The present stone church was rebuilt and dedicated on April 22, 1917. The nave seats approximately 200 people and

the chancel has space for 20+ choir members. The worship space is accessible, as is the washroom and the space has air conditioning.

The main church building also includes a foyer, Narthex, rector's office, admin office and a nursery. In addition to the regular worship services, the worship space is also used by several community choral groups. The Parish does not have a rectory.

Our Parish Hall (Guild Hall) is located across Charlotte Street a short block away. It consists of a general use area, stage, kitchen, accessible washrooms and community café on the main floor and an upper room with a kitchenette and a smaller meeting room and washroom as well as a rooftop garden. All Guild Hall users sign a contract and provide certificates of insurance or purchase it through the Diocese. Any event that involves liquor is overseen by Smart Serve Trained servers.

The maintenance of both buildings is overseen by a parish property manager. The last decennial inspection was in 2015 and identified an issue of mold remediation needed under the nave area of the church.

We have been involved in the wider church through parishioners who have and are currently serving on Diocesan committees and Diocesan Synod Council. PWRDF fundraising materials are used within the parish throughout the year.

In the last decade the parish has been involved in missionary work projects to Guatemala, Haiti, and Dominican Republic. In 2018 a number of parishioners took part in a missionary work project in El Salvador through a partnership with Operation Mobilization. It is our hope to be involved in another similar project in the near future.

The parish is made up of approximately 130 regular Sunday

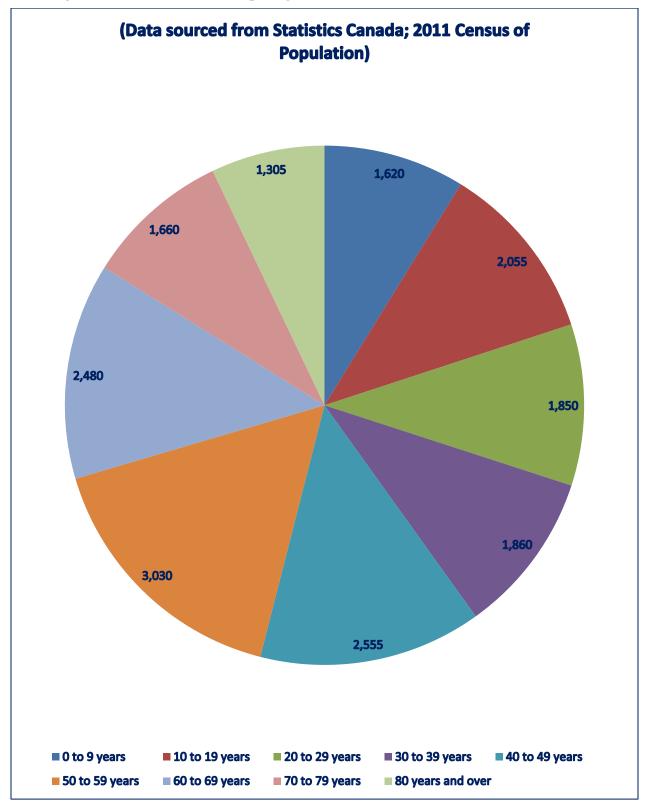

worshippers. There are 210 families on our Parish List made up of 291 individuals who offer regular financial support. We strive to be a very sociable, welcoming church, inclusive to all.

Parish Groups

Altar Guild - (Barb Yakobowski, Director) we have a very active Altar Guild

group who tirelessly look after the setting up of the Altar for the various worship services, cleaning and ironing of the Altar Linens, decorating the church for the various seasonal celebrations of Christmas, Easter & Harvest Thanksgiving and ensuring the tidiness of the Sanctuary at all times.

Parish Choir – (Tim Kennedy, President) we have a small group of dedicated Choir Members, under the direction of our Director of Music, Linda Tamburri. The choir practices each Thursday evening at 7:30 p.m. The Choir is present at the 10:30 a.m. Sunday Worship service to lead the congregation in the singing of Hymns and Eucharistic responses as well as providing an Anthem usually following the Sermon. They are also present, upon request by families, for Funeral Services. There are a number of other musical individuals within the parish who often take part in services as well.

Home Study Groups – (Linda Lamarche, Coordinator) Books are selected from time to time (often during the season of Lent or Advent) for study that takes place in the homes of various parishioners who offer to host a group with Lay-Leaders who are selected to facilitate each group. Each year an overnight Fall Parish Retreat takes place with a focus on community building, spiritual growth & renewal.

Mission Team – (Tami Zachariah & George Duma, Coordinators) We have a Lay-led Mission Team who has organized Mission trips to El Salvador in partnership with Operation Mobilization, a worldwide Christian mission organization with offices in Port Colborne. In past years, other Parish Mission groups have gone to Haiti and Guatemala.

Lay Reader Team – (Barb Yakobowski, Leslie Kennedy, Pat Davis, Linda Lamarche, Larry Peyton) We currently have a group of 5 Licensed Lay Readers who assist the Rector in Sunday Worship Services. We also have a recently ordained Parish Deacon (Lorenzo Cromwell) who also takes part in both Sunday Services.

Servers – There are a few individuals who act as crucifer, server and acolyte on Sunday mornings. We are hoping to expand this group in the future.

Pastoral Care Team – We have a very active and dedicated Pastoral Care Team, under the direction of our Parish Deacon, who visit shut-ins on a regular basis in their homes, Long-Term Care Facilities and Hospitals.

GAP – (Stewart Edwards, Coordinator) "God Answers Prayer" is a lay-led prayer group who meet twice a month to pray for those in need. Prayer requests are taken through a request box at the back of the church.

St. J & B Kidz –Our Children's Ministry lessons coincide with our liturgical year. The activities, storytelling, games, crafts, lessons & fun happen every Sunday when children are present!

Youth Group – Presently two youth leaders Christie Hines & Ben Brown along with our Parish Deacon Lorenzo Cromwell are currently working to re-establish a Youth Ministry Program.

Parish Outreach Ministries

Out of the Cold - Community Dinners are held in the Guild Hall each Tuesday evening (doors open at 5:30 p.m. dinner served at 6:00 p.m.) from October through April. Our own parish has two groups preparing meals on various scheduled weeks and there are also other groups from various community churches, as well as a group from the local Catholic High School who take turns preparing meals when scheduled.

School Lunch Program - provides nutritious lunches to students in various Elementary Schools throughout the community who are in need. Brown bag lunches are prepared by volunteers each Monday morning in our Guild Hall and distributed to the schools. Lunches are discreetly given out by School Staff to students who do not have a lunch on any given day throughout the week.

The Heartbeat Café – Located within our Guild Hall, is an independently run Café, with an outreach component (sometimes partnering with Community Living), operated by Wanda Butler. Wanda came to us with a dream to open her own café but was in need of some support in order to get her plan off the ground. At first, we supported her business plan and it has grown over the last two years, as has her support of the parish. She offers daily breakfasts and lunches to the community as well as private caterings and she is a great cook!

Lakeside Terrace – (Lynn Poirier, Coordinator) Lakeside Terrace is an assisted living home from which many residents come to worship at our

parish. Each month a nutritious lunch meal is prepared in our Guild Hall and then served at Lakeside Terrace to the residents as part of our community outreach.

Refugee Sponsorships – (Leslie Kennedy, Coordinator) in the fall of 2015

our Rector challenged our congregation to embrace the 140th Anniversary Project of our Diocesan Bishop's Refugee Sponsorship Program. We met that challenge raising almost \$40,000 in a little over two months and welcomed our first of two sponsored Syrian Refugee Families who arrived

on New Year's Eve 2015 having come from Lebanon. The second family arrived in late February, also from

Lebanon. We are currently in the process of raising funds and are awaiting news of the approval of a third family. We have a team of parishioners who worked tirelessly in setting up households for these families and offered support assisting in various aspects of life in Canada (health cards; driver's

licenses; ESL classes; doctors & dentists, schools for the children, shopping etc.). Fundraising "Teas" are held twice a year to raise funds for this cause.

Warming Center – With sponsorship from the community, our Guild Hall is used as a Warming Center with overnight facilities during extreme winter cold spells.

Ozzy's Garage – Here, at-risk youth and teenagers receive mentorship and

training from Rick Osborne, better known as Ozzy, while rebuilding motorcycles. Rick is a rehabilitated drug addict who found salvation while incarcerated in a federal penitentiary, earning his B.A. in psychology from Queen's University and continuing his studies at McMaster University completing an Addiction Care-worker Diploma. His story of redemption allows him to speak with unmatched credibility and power with youth involved in gangs or at the margins of gang membership.

Phoenix Wood Carvers – This group is just getting underway in their new home at 25 Charlotte Street. They are a 10 member group of artisan carvers, led by renowned indigenous carver, Doug Maracle, with a focus on community involvement in their craft.

St. J & B Park Project – Jeremiah told God's People to seek the prosperity of their cities – with this in mind at St. J & B, we wanted to bring prosperity and new life to our downtown core and decided to purchase a derelict property (which included Ozzy's Garage and The Phoenix Carvers' buildings, as well as a vacant lot), across from the church and transform it into something beautiful for the whole city to enjoy. This became known as our "New Life in the City Park Project" as we envisioned a community greenspace in the heart of downtown Port Colborne. The buildings have been stabilized & refurbished. We have an interest free mortgage (held by one of our parishioners) with a balance of \$160,000 owing (purchase price was \$200,000) for the property with annual payments of \$40,000 due each December 1st over the next 4 years. We've had a fundraising campaign, to which many parishioners responded by pledging amounts to the project, and have been honouring those pledges over the last two years. We also have reached out to local businesses, the community at large and have applied (and continue to apply) for various grants to help cover development costs. Phase I is complete and plans for Phase II are ongoing.

March 2019

Organizational Structure

The formal organizational structure of St. James and St. Brendan is centered around the Corporation which consists of our Rector, Rector's Warden, Deputy Rector's Warden, People's Warden and Deputy People's Warden, which meets monthly.

Supporting the Corporation we have a Parish Council, that meets monthly immediately following the Corporation meetings, consisting of the Corporation, 2 Lay delegates to Diocesan Synod and currently eight lay members who serve in an advisory capacity to the Corporation. Our Treasurer reports on budgetary and financial issues and other members report on areas such as building issues and concerns, and various other items including programs and planning. Our Parish Deacon also attends Parish Council meetings in a non-voting capacity, serving as a liaison for the Youth Group and youth issues, our pastoral care team, as well as to the LGBTQ Community. A Vestry meeting is held annually, usually in late January or early February.

The paid staff of the church consists of the Rector, the Music Director and Caretaker. Four volunteer parishioners staff the office on a rotating schedule, weekly from Tuesday to Friday. In addition we have volunteers serving in our Nursery, and Church School, all of whom provide Police Background Record Checks. The Volunteer screening is still a work in progress although the lion's share of it has been completed.

We consider the involvement of volunteers in all aspects of our Parish ministries as not only a necessity but a strength of our congregation. We seek to continue fostering our commitment to Christ in our faith journey through a strong involvement in the various ministries within our Parish.

SITUATIONAL ANALYSIS

As is the case with many other parishes in the Diocese of Niagara, St. James and St. Brendan is an older (and aging) congregation, with a significant number of parishioners falling in the 55-70 year-old demographic. There are a few families with children and youth. Over the tenure of the most recent Rector, there were concerted efforts made to reach out to younger families, via more contemporary music, multi-media worship technologies, social media contacts and age specific events, but the reality is that while younger families would participate for a short while, there was not a very high retention rate. There is a general acknowledgement that the welcoming of newcomers could be strengthened. Out of discussing this within the Parochial Committee, a group has been established consisting of 6 individuals who are committed to ensuring that at least one of them is at each service and will be intentional about keeping an eye out for first-time worshippers and both inviting/going with them to coffee afterwards.

There the welcoming team members will endeavor to gently elicit enough about our visitors to introduce them to those with whom they might have something in common, in an effort to provide an easier and supportive way for them to 'check out' and hopefully 'engage' in the life of the community. This demonstrates both a willingness to face some real challenges and an openness to attempting new ways of addressing them head-on.

On the other hand, due to the warmth of the community and its history of genuine caring for its members, a significant (and higher than average) number of adults/couples who are new to Anglicanism have become members of the parish over the past 3-5 years. This is reflected in a confirmation preparation group, consisting of 1 teenager and 6 adults, anticipating the Diocesan Confirmation service this coming June.

St. J & B is a community that intentionally looks to sermons and adult education opportunities to support them in their growth in faith and the exercise of God's mission. There is a history of book and study groups having been offered and well attended. The parish currently has two groups (daytime and evening) studying *The Book of Forgiving*, by Desmond and Mpho Tutu.

What is 'special' about this parish is its rather incredible involvement in and commitment to outreach/missional ministry. Not only are there a significant number of members engaged in a plethora of such ministries, there is a very real intentionality of its members to participating in, hosting, and offering leadership in the Week of Prayer for Christian Unity services, the World Day of Prayer, the Annual Thursday Lenten services, the Annual Mariners Service at the time of the opening of the shipping season on the Welland Canal, making the Guild Hall available as a Warming Centre for 6 weeks in the dead of winter, and participating in city-wide Canal Days in the summer. St. J & B is very aware of the needs of the wider community and is always looking for ways to connect and engage with people outside of the church community. It has a well-deserved reputation for this within the city. There are many more opportunities being discussed as the coming online of the parish park across the street from the church is anticipated. This is not an inward-looking congregation. In many ways, our missional focus defines who we are as a congregation.

Given the 12-year tenure of the most recent Rector, there are many who have only had this one experience with a Rector. The Parochial Committee is keenly aware of the importance and strength of the relationships that grew during that period, and how that found expression in many positive ways. However, they also were able to identify some discouragement around a 'cult of personality' that has left some parishioners in a 'wait and see' mode. This may explain in part the fact that parish givings are down some \$8,000 against the same period last year.

The Parochial Committee feel that the transition period has been good for parishioners to learn that change need not be feared, and indeed can be healthy, as the community looks toward welcoming and ministering with their new Rector.

St. James & St. Brendan, Port Colborne Results of Clergy Role Expectations Survey

62 Parishioners completed the Survey on March 17, 2019, at both the 8:30 a.m. and the 10:30 a.m. services. ["Directly" refers to an expectation that this role would be directly and primarily exercised by the clergy-person; "Shared" indicates that it would be exercised jointly by the Rector and parish members.] Quite clearly, the top 5 functions that the community believed deserved the most time and attention from their Rector were as follows:

1. The administration of the sacraments of baptism, communion, marriage, and funerals. (Directly)

2. Preaching sermons. (Directly and Shared, with a majority of votes for Directly)

3. Ministering to the sick, dying, and bereaved. (Directly and Shared, evenly split)

4. Serve as an example of high moral and ethical character. (Directly)

5. Cast a vision and develop new ideas for pursuing God's mission. (Directly and Shared, with a majority of votes for Directly)

6. (Only 2 votes less than 5.) Teaches and works directly with adults to nurture disciples through adult education events.

Transition Consultant's Comments:

These results would fit my observations after 5 months that St. James and St. Brendan's strikes me very powerfully as a community that is grounded in a very strong sacramental spirituality that wants to ensure that the pastoral and Christian formation needs of individuals and the community are met directly by their priest (to whom they look to for integrity and guidance) and by he/she equipping laity to share these ministries. As a community, they are highly committed to learning more about exercising their baptismal covenant and are intentional about looking for new ways to live the Gospel in the wider community.

Parish Financial Information

On the next several pages you will find copies of our 2017 and 2018 Year End Financial Statements as well as our Budget for 2019 as adopted at our Annual Vestry Meeting held in January of 2019. We currently have 3 investment funds held through the Diocese of Niagara (values shown are at Dec. 31, 2018); one general investment fund in the amount of \$118,752; one memorial organ fund in the amount of \$57,593; one rectory fund in the amount of \$142,860. We also have an outstanding interest free mortgage for the purchase of the "Park Property" held by a parishioner in the amount of \$160,000 (\$40,000 to be paid annually for the next four years). We have a \$60,000 line of credit with the C.I.B.C. bank that is to make up for cash flow shortages. The amount used on the credit line fluctuates throughout the year.
