

## **Various Jubilee Resources**

Worship Services for Youth Groups - This book has 12 complete thematic and seasonal services for youth groups. It is full of musical and dramatic options for a great youth service.

Write the Vision: Creating Communities of Shalom for all Children - Prayers, poems, music and more to help youth design their own worship service. Great for youth groups planning a youth ministry Sunday service.

Young Adult Faith Launchers - 18 bible studies for small youth groups. Complete with games and activities designed to spark interesting discussion with youth around the bible.

Youth Search: Stress and Time - A resource geared to helping leaders teach biblical related studies relating to the stress and anxiety a teenager feels throughout his/her years. Great for those older teens gearing up for their final exams in high school.
