

Life Changing Worship - Vision Goal and Indicators

Goal

By 2014, the Diocese of Niagara's parishes are strengthened by offering transformative worship experiences that make the Gospel message accessible to the wider world in ways that help people experience and engage God in their hearts, heads, bodies and souls.

Biblical Reference: Acts 2 – the birth of “the church” - making the experience of God accessible to everyone

Indicators

- There is a broad consensus among laity and clergy that life changing worship is a shared goal, The Diocese has developed tools and markers that aid clergy and laity in identifying when life changing worship is happening.
- By 2014, 30% of Niagara's parishes have utilized feedback tools about the liturgy and have responded to areas that are identified as non-life giving
- Worship at significant Diocesan events models life-changing worship of varying forms
- A wide range of worship resources, technologies and forms are in active use
- An extensive diocesan liturgy resource library is actively used, including frequent contributions to the growing body of creative, transformative liturgy.
- Laity and clergy participate in workshops and conferences focused on life changing worship; within the Diocese and outside.
